

PICKERING COMMUNITY JUNIOR SCHOOL

YEAR 5/6 HOME LEARNING –AUTUMN 1

This half term, complete **5** pieces of homework to earn a reward!

<u>WHY USE HOME LEARNING GRIDS?</u>	<u>WHEN WILL HOME LEARNING BE HANDED OUT AND HANDED IN?</u>	<u>HOW OFTEN SHOULD MY CHILD BE COMPLETING HOMEWORK?</u>	AUTUMN CURRICULUM THEME	AUTUMN 1 BIG IDEA
The Home Learning Grids have been designed to offer a wide variety of learning opportunities, differing in challenge, focus and length. The flexible approach helps to engage all learners.	Home Learning Grids will be given out at the beginning of every half term Where possible, home learning tasks should be completed in the Home Learning book. Two activities every half term will be whole school and can be done with siblings/family members.	Every week, your child should: 1) Read for 20 minutes at least 3 times a week 2) Complete one project-based activity on the grid below. These can be done in any order that your child chooses. 3) Practise multiplication facts.	 INVASION	 Humankind

	WHOLE SCHOOL ACTIVITIES BIG IDEA: HUMANKIND		YEAR GROUP ACTIVITIES							
	ACTIVITY 1	ACTIVITY 2	ACTIVITY 3	ACTIVITY 4	ACTIVITY 5	ACTIVITY 6	ACTIVITY 7	ACTIVITY 8	ACTIVITY 9	ACTIVITY 10
CHOOSE ONE ACTIVITY EACH WEEK	Interconnections <i>The human race is interconnected. Make a friends and family tree to show your network. Start with you and build outwards. How many people are you connected to?</i>	Around The World <i>Using a world map, pinpoint a place you'd like to find out more about. Make a fact file about it and the everyday lives of people who live there, researching facts and information using books and the internet.</i>	Maths White Rose Maths Booklet to collect from class. Choose from: • Shape (Y5) • Statistics (Y5) • Position and direction (Y5) • Decimals B (Y6) • Negative numbers (Y6) • Converting units (Y6) • Volume (Y6) (Each booklet counts as one homework)	English: Write an 'autumn' acrostic poem A... U... T... U... M... N... Add illustrations, if you wish!	Maths: Conduct a survey among family, friends, or classmates (e.g. favourite sports, colours, or hobbies). Present your findings in a bar chart. Analyse your data: were there any particular trends?	Science: Materials and properties: <i>Q. Why is aluminium used for making aeroplane parts?</i> Research and present your answers in a leaflet.	Cookery: Cook an autumn meal with seasonal produce. Possible ideas: 1. Apple and black berry crumble 2. Root vegetable-based stew 3. Butternut Squash soup	History: Research an Anglo-Saxon god or goddess and create a detailed fact file or Top Trumps card about them. Woden, Tiw and Thunor are all great examples who you may wish to explore.	Forest School: Fungi fun: photograph or sketch different wild mushrooms in the local area (remember, don't touch them!). Research their scientific names and label your images.	PSHE: Five senses forest walk: Spend 10 minutes sitting quietly in a natural space to complete a "5-4-3-2-1" grounding exercise: record 5 things you can see, 4 you can feel, 3 you can hear, 2 you can smell, and 1 you can taste (like the autumn air).
