Monday 15th June

Dear Parents,

On the morning of Wednesday 8th July, children will be attending Crucial Crew at Scarborough TEC. Crucial crew is an invaluable, interactive safety and life-skills programme, designed to teach children how to keep themselves and others safe in a range of everyday situations. Through a series of practical, hands-on scenarios and workshops, children will learn topics such as: road safety, fire safety, water safety and first aid (to name a few). This visit is an invaluable opportunity for children to gain confidence, knowledge and skills about staying safe and making responsible choices – enhancing our PSHE curriculum.

On this morning, please can you ensure your child is at school at 8:30am prompt to ensure we arrive at Crucial Crew in good time. Due to us not returning to school until after lunch time, all children will require a packed lunch. If you would like your child to have a school packed lunch (free for FSM pupils), please phone or email school by 9am on Wednesday 24th June.

Our wonderful Friends of the School have very kindly covered the cost of this trip and therefore, no financial contribution is required.

***NEW* Please consent for your child to take part on the Crucial Crew visit, via the Arbor App by 9am on Wednesday 24th June.**

If you have an enhanced DBS and are available on this date to support our trip, please contact the school office. We anticipate being back at school at approximately 1pm.

Kind Regards,

Mrs Wilkinson
