Thursday 26th February 2026

Dear Parents and Carers,

Every year at Pickering Community Junior School, we celebrate British Science Week and this year is no different. This year, the Friends of the School will be funding exciting science workshops in every class! These will be led by Love Science Ltd and will take place on 12th March 2026.

We would like to invite you into your child's class so that they can communicate their knowledge from the workshop. For 20 minutes, they will become the teachers and teach you! If you would like to visit, please see below the timings for each class. On arrival, you will need to sign in at the school office.

Mrs Morris and Mrs Metcalf's class	1.20-1.40pm
Miss Scott's class	2.15-2.35pm
Mrs Devine's class	Friday 13th March 9.50-10.10am
Mrs Wortham and Mrs. Hall's class	10-10.20am
Mrs Mintoft's class	11.40-12pm
Miss Holmes and Mrs Wilkinson's class	11-11.20am

We very much look forward to welcoming you into school.

Yours sincerely,

Mrs Morris
Science Lead
