PICKERING COMMUNITY JUNIOR SCHOOL
YEAR 5/6 HOME LEARNING –SUMMER 1

This half term, complete **5** pieces of homework to earn a reward!

<u>WHY USE HOME LEARNING GRIDS?</u>	<u>WHEN WILL HOME LEARNING BE HANDED OUT AND HANDED IN?</u>	<u>HOW OFTEN SHOULD MY CHILD BE COMPLETING HOMEWORK?</u>	SUMMER CURRICULUM THEME	SUMMER 1 BIG IDEA
The Home Learning Grids have been designed to offer a wide variety of learning opportunities, differing in challenge, focus and length. The flexible approach helps to engage all learners.	Home Learning Grids will be given out at the beginning of every half term Where possible, home learning tasks should be completed in the Home Learning book. Two activities every half term will be whole school and can be done with siblings/family members.	Every week, your child should: 1) Read for 20 minutes at least 3 times a week 2) Complete one project-based activity on the grid below. These can be done in any order that your child chooses. 3) Practise multiplication facts.	 FROZEN KINGDOMS	 Significance

	WHOLE SCHOOL ACTIVITIES		YEAR GROUP ACTIVITIES							
	BIG IDEA: SIGNIFICANCE		ACTIVITY 3	ACTIVITY 4	ACTIVITY 5	ACTIVITY 6	ACTIVITY 7	ACTIVITY 8	ACTIVITY 9	ACTIVITY 10
CHOOSE ONE ACTIVITY EACH WEEK	Special people <i>Choose one or two people in your family or friendship group who are special to you. Think about how they make you feel and what you like doing with them. Write a letter or poem to let them know how much they mean to you.</i>	Capture the moment <i>Think about a significant time in your life. Write a diary entry from this time, including your thoughts and feelings. Have your feelings changed since this event happened?</i>	Maths White Rose Maths Booklet to collect from class. Choose from: <ul style="list-style-type: none"> Decimals and percentages (Y5) Perimeter and area Statistics Fractions, decimals and percentages (Y6) (Each booklet counts as one homework)	Geography Create a climate change themed quiz, including questions and answers.	Art Draw an animal of your choice in the style of an Inuit artist.	Maths Shape hunt: search your home to find as many 2D and 3D shapes as you can! Create a table to record your results in.	English Finish the chapter... <i>Home from his latest expedition, Uncle Jack reached in his rucksack and pulled out an artefact for me. "Here, I thought you might like this. It's supposed to be magic."</i>	Science Create a classification key at home by sorting items (toys, shoes, or garden creatures for example) using "Yes/No" questions based on physical features. Create a flow chart.	Cookery Make a summer fruit smoothie or milkshake. Write a recipe card. Include step-by-step instructions.	PE Create a DIY mini golf course in your garden. Devise a scoring system and play against a family member or friend.
